

# Faithful Stewards Action Social

Mingle with Dorchester  
Nonprofit Organizations  
and Neighbors!

**JOIN US!**

**Thursday, May 17, 2018  
4:30-7pm**

Waugh Chapel  
425 High Street, Cambridge, MD

The Faithful Stewards Action Social will be a fun way to mingle with neighbors and the social justice and environmental organizations that support Dorchester County.

In the style of "speed dating," the participating nonprofit organizations will have tables set up around the perimeter of the room, and attendees will visit each table.

At set intervals, a sound will signal for all attendees to end their conversations and move on to the next table to meet the next organization.

Attendees will use a "dating sheet" to identify the groups they are interested in engaging with further.
