Together we can offer hope of a fresh start to those in need in our local community by providing refurbished bicycles and a new helmet to support our sober living community and youth with transportation barriers to secure career placement and educational advancements.

**Volunteers needed - bicycle mechanics (skilled, certified and handy)**

**Donate gently used bicycles**

If you prefer you can make a financial donation to support purchasing new parts and helmets. Make checks payable to Bike AAA (501c3) and mail to:

*Contact one of our partners for more information on how you can support Wheels of Hope.*
