

# Residential BMP Workshop

Designed for  
landscaping  
companies and  
contractors  
working in Howard  
County.

RSVP early,  
space is  
limited!

Attendees  
will be added to  
the Residential  
Contractor List on  
the County  
website!

## This FREE Workshop will cover:

- ❑ Design & installation specifications for common residential BMPs.
- ❑ Basic information about the County's residential stormwater program.
- ❑ Sustainable Landscaping Best Practices.
- ❑ How to use the County's GIS, our new rain garden sizing calculator, and determining drainage areas.
- ❑ On site BMP tour & discussion.

## Presenters:

Julie Costantino - Howard County Residential Stormwater Programs

Amanda Rockler - Watershed Restoration Specialist

Radhika Wijetunge - Howard County Stormwater Management Division
