SUPERKIDS CAMP INTERNSHIPS

Be a part of improving youth literacy in Baltimore through Parks & People Foundation's SuperKids Camp!

During this exciting 6-week camp, rising 1st through 5th graders work to improve their reading skills while doing a variety of fun, environmental education focused activities throughout the city of Baltimore! Interns are vital team members that nurture, engage and teach our campers. Summer is a critical time for young students to keep their minds active and SuperKids has proven success in preventing summer learning loss and improving reading skills. The Intern facilitates a curriculum focused on play and outdoor recreation that helps instill in campers a natural curiosity for the world around them and the importance of an active lifestyle.

June 26-August 7, 2020

Why SuperKids Camp?

- Connect with children and create a lasting impression on their lives
- Acquire hands-on experience teaching students
- Interact and learn from other college students and teacher mentors
- Pay is \$12 per hour
