Short Answers- These questions are designed to give us insight to your personality and work ethic, please take the time and effort to complete them to the best of your ability.

Before completing the narratives, please tell us a little about yourself. What are your hobbies and interests?

Narrative #1: Why do you want to be an intern for Horn Point Lab Oyster Hatchery? What would make you a strong addition to our team and what do you hope you would gain from this experience? Where do you see yourself in terms of a career in the next five years?

Narrative #2: Please tell us about a time when you have had to make a difficult decision in the past (at a job, a volunteer opportunity, or in your daily life) – what options were presented to you, what factored into your decision making, and what was the ultimate result?

Narrative #3: Tell us about a time when your work on an idea of yours was criticized. How did you handle it?

If you require any assistance in filling out this application, please contact Stephanie Alexander at tobash@umces.edu or (410)221-8310.

By typing your initials in the box below, you acknowledge the expectations of the job mentioned above, including weekend work. You accept that the labor in the oyster hatchery is strenuous, wet, warm and dirty, and take full responsibility for the risks you may encounter working in the hatchery environment. You should also be 18 years old or older by the start of employment and be capable and willing to lift and carry 50 pounds of various materials.

--

My e-signature below confirms that all statements herein are true and correct. Please read carefully before signing this application. False statements on this application form shall be considered sufficient cause for termination. Qualified applicants receive consideration for employment without discrimination because of sex, marital status, race, color, creed, religion, national origin, age, or the presence of a non-job-related handicap.
