

BECOME A NATIONAL AQUARIUM INTERN!

Internships at the National Aquarium provide stimulating, hands-on experiences that add value to any college education. Applying classroom knowledge, interns obtain valuable job experience and establish professional contacts.

College internship positions are available year-round (coinciding with academic semesters) in many departments throughout the Aquarium, including:

- Animal Husbandry/Animal Welfare
- Education
- Field Conservation
- Government Affairs
- Marketing
- Philanthropy/Development
