**RESTORATION TECHNICIANS  
+ NURSERY WORKERS  
+ GROUNDS CREW  
(PART TIME & FULL TIME POSITIONS)**

HEADWATERS PARK

(Off of 60 between Alta and Lewisburg)

- Start upon hire
- **\$13-18/hour** (depending on experience)
- Learn how to identify native and invasive plant species
- Landscaping and/or gardening experience is a PLUS
  - On the job training

**RESPONSIBILITIES:**

- Remove invasive plant species using mechanical and chemical methods
- Maintaining native plant installations via weeding, watering, mowing, pruning, etc.
- Planting and transplanting native plants (direct seeding, herbaceous plugs, and all sizes of trees and shrubs)
- Working outdoors nearly everyday and occasionally during inclement weather conditions including heat, rain, and cold.

**WHAT IS APPALACHIAN HEADWATERS?**

Appalachian Headwaters is a nonprofit organization based in Lewisburg that focuses on community development, environmental education, and ecological restoration in central Appalachia.

Headwaters Park will feature our Appalachian Pollinator Center-- a research program focused on native plants, pollinators, and their habitat.
