

CHESAPEAKE RIPARIAN FOREST BUFFER NETWORKING SUMMIT

OCTOBER 12, 2022 | 9:00 AM – 3:00 PM

The Alliance for the Chesapeake Bay's Chesapeake Riparian Forest Buffer Networking Summit will facilitate conversations between entities working in and across the Chesapeake Bay watershed states.

The overarching goals of this in-person event will be to network with one another, share regional updates and success stories, and then discuss how to address upcoming opportunities and challenges in the world of buffer implementation. This event will take place in Frederick County, Maryland (exact location TBD). Lunch will be provided. **Please register by scanning the QR code below or by visiting allianceforthebay.org/events.**
