About the National Caucus of Environmental Legislators (NCEL)

NCEL is a 501(c)(3) nonprofit that empowers a nonpartisan network of state environmental leaders to protect, conserve, and improve the natural and human environment. We believe that the key to advancing sound policy in the states is well-informed legislatures with strong champions who can advocate on behalf of the environment, develop shared strategies, and collaborate with their peers across the country on shared learning and action.

Based in Washington, D.C., with remote staff across the country, program staff build relationships with lawmakers and staff, act as a connector for multi-state strategies, and leverage knowledge among NCEL members to enable states to build on successes from across the country. NCEL is viewed as the go-to resource for environmental state policy trends and innovative programs moving in the states. NCEL does not lobby for the enactment or defeat of any state or federal legislation.

Position Overview

The Grants and Office Administrator will provide critical support to NCEL's growing fundraising efforts and executive leadership.
